

LEE TINDALE MEDAL

This award is named in honour of Lee Tindale who sadly passed away in February 2006. Lee was a great supporter of the Warrandyte Junior Football Club and the Warrandyte Football Community in general.

The purpose of the award is to encourage kids to respect the true elements of what makes success and to celebrate the concept of the team ahead of the individual. Therefore, the medal is not necessarily awarded to the “Best on Ground”, but for the player in the match who shows **COURAGE** (in and under packs), helps his mates in **TROUBLE** (Team Spirit) provides **INSPIRATION** to his team mates or displays **SPORTSMANSHIP** to his opponents.

We know that Lee would be very proud to know this medal was named in his honour and trust that every kid playing each week will strive to display these characteristics in the hope that they can proudly hang the medal around their neck
