In a thrilling U8 football match between the Warrandyte Bloods and Templestowe, the Warrandyte Bloods showcased their impressive skills and teamwork. The forward line, led by Boston William Brown, Jai Kreuzer, Koa Drake, Levi Fogarty, and Jarvis Barton, was instrumental in driving the team's offensive plays. The game's momentum was set early on when Harry Watts executed a stunning piece of play, stealing the ball from the opposition and scoring a goal in the first quarter.

The second quarter saw continued dominance from the Bloods, particularly from their strong midfield, which included standout performances by Ted Nisbet, Harrison Fraser, Daniel Meade, Jack Zoanetti, and Tom Wills. Their coordination and relentless pressure kept Templestowe on the back foot, allowing the Bloods to maintain control of the game.

The defensive line was equally formidable, with Luca Tice and Ted Nisbet providing fierce resistance against Templestowe's

attempts to break through. Their solid defence ensured that the opposition had limited scoring opportunities, keeping the Bloods in a commanding position.

Among the standout players, Iliya Yaghooti emerged as a star, demonstrating exceptional skill and versatility throughout the ground. His ability to dominate in various positions made him a key player in securing the team's victory and earned him the Best on Ground award.

The goal scorers for the Bloods included Jai Kreuzer, who scored two goals, along with Harry Watts, Koa Drake, Levi Fogarty, and Jarvis Barton, each contributing one goal. The collective effort of these players underscored the team's cohesive and dynamic playstyle.

Ultimately, Iliya Yaghooti's outstanding performance highlighted his significant contributions to the team's day. However, the match concluded with the Warrandyte Bloods losing 6 goals 5 points to 7 goals, 8 points.

It certainly felt like the chilliest Sunday morning game for the season.

The warm up was much needed to get the team fired up for another go against The Sharks.

It was a great sight to see the players run out onto the main oval on our home ground! All players put in a top effort, and stepped up to the challenge... sore, freezing hands and all. Well done Bloods!!

Absent - Noah (you were missed!)

Quarter one felt a little low key... still warming up those bodies. Alby was in full force though, along with Jackson on the ball. Hazel, Kaiden, Arlo and Jackson in the backline putting pressure on the Sharks!

The Sharks were able to take a few more opportunities than us in this quarter. Some excellent scoring taken by the Sharks.

In quarter two the energy of the players ramped up. Henry opened the quarter with a marvellous goal. Followed by Alby heading for a smooth shot, with Hendrix managing to finish it off with a strategic goal! Great teamwork and focus by these players.

Henry was on fire, marking accurately and swiftly kicking two more goals for an exciting quarter. Jack our new recruit put in a fabulous effort on the ball. Archer displayed excellent skills in the backline.

The sharks kept up well with some strong defence and multiple goals.

Quarter three we had Issac, August, Archer, and Tom managing those Sharks in the centre. Toms defence and efficient skills helping us greatly. Archers powerful kicks resemble that of many AFL greats!!

Hazel getting in there and positioning herself well on the ball in the forward line this quarter, really helped us. Keeping the

Sharks at bay, with full dedication was Harvey, Kaiden, Jackson & Arlo!

The Sharks were able to lead the way with adding a few to the score board.

Arlo displayed lots of passion with a close goal, ending in a point!!! Jack returned confidently on the ball for multiple touches!

Every team member this quarter stepping up, spirits high and using their improved skills. Harvey's defence was top notch!

We finished the quarter with Arlo pumping out a well deserved goal. Tom and August also superbly marking.

Quarter four... it was definitely the Archer show! Wow, wow, Wow!! Two brilliant goals and simply dominating the ball!! August also not giving up, with his skilful marks and tackles.

The Sharks were showing some tired signs, but The bloods remained present and high in spirit!!! Plus the sun peaking out, giving those chilly bodies some needed warmth!

Fabulous game team!

Max has continued his brilliant 2024 season with a game defining performance against the inform Hawthorn Citizens. Max took so many 'bounces' in his multiple runs on Sunday that at one stage an eggar parent enquired about booking a children's party for next weekend. In what had been billed as match of the round with both teams in impressive form entering the game, an entertaining game played out in perfect winter conditions.

The Hawthorn Citizens dominated the game from the outset, their strategic play and teamwork leading giving them the early advantage. However, the Bloods, true to their name, gave everything they had on the field. George continued his good form through the middle of the ground, demonstrating his growing skills and understanding of the game. While Kynan showed off his remarkable improvement in his ruckwork. His ability to contest and win the ball has improved week by week, making him a key player for the Bloods.

The bloods trailed at the long break but after half time Reuben played some of the most exciting football for the season his energy and enthusiasm were infectious, inspiring his teammates and thrilling the spectators. Hawthorn continued to assault the goal lines but Ashton gave his all in the backline. Despite the pressure, he held his ground, making crucial saves and demonstrating his commitment to the team.

While the Hawthorn Citizens won the match, the Warrandyte Bloods won the hearts of the spectators. Their determination, improvement, and gallantry in defeat were a testament to their spirit and love for the game.

It all about the boots

On Sunday June 30 th the Mighty Bloods took on Ashburton, who defeated us in Round 5, with a score line then of 21-9.

It was rainy and 4 degrees – but we actually got off to a great start when Ashburton's twins forgot their boots and “unfortunately” we could not find any to lend them! Our twins did have their boots,

along with their winning attitudes... and were everywhere from start to finish.

The first quarter was a dour affair that the purists loved – and, despite being end-to-end, finished 0-0. Goal umpire Paul was wrapped, as he didn't have to take his hands out of his pockets. Boundary umpire Libby did not fare quite as well. As a Commonwealth Games runner, she was well able to keep up – but struggled to get the cold fingers around the whistle early on!

Quarter time also saw the young umpires introduced to their Escort, Nathan. They obviously felt safe enough immediately, as they cheekily/skilfully let him know that other clubs bought them Gatorade and lollies at half time. That cost Nathan \$20. Well done ump's!

The second quarter highlight was undoubtedly a flash of bright green boots near the siren to bring up our first. A wonderful clean crumb from Abby, who was forced to take her hands out of her jumper (had been watching her Dad!) but did so superbly. Rove, snap, bang! Half time 6-0 Bloods.

At half time, the Ashburton twins' parents had returned with boots (bugger) and it was game on!

The third quarter had some serious heat, with the Ashburton girls invigorated by the cavalry. They produced three outstanding smotherers that could be heard in the stands – well done to their girls. But the Bloods were up to the challenge. The crowd roared at a couple of highlights, including two sensational “run down” tackles from the Come-Back Kid

Aria... and a pearla of a “don't argue” from

Emily Guymer. The biggest roar though, came as Em Lynch collected and streamed in to the forward pocket –showing the defenders the bottom of her boots along the way and taking two bounces if you don't mind! Two points added for both teams in a tense but now free flowing affair. Three quarter time: 8-2 Warrandyte.

The final quarter saw Grace find an even higher gear. Wow – can she play! But Ashburton were in it to win it and looking dangerous – until a number 4 flash! Ella Guymer with a wonderful sausage roll to ice it for the Bloods!

The song was sung with gusto to a packed change room and some worthy winners for Players of the Match announced: Mia, Willow, Aria, Molly and Miller all had rippa games and got great cheers as they received awards for their performances – and the medals went to Abby D and Emily L who were stars!

Great coaching and great team work from our girls. But you know... sometimes it's really all about the boots!

We had Jay celebrating his 50 th game this week and he along with Taylor and Xavier (50 games last wee) ran through banners to start the proceedings. The first quarter was a dour affair with both sides looking evenly matched, before Whitehorse scored a late goal and put them 7 points in front at the first break. Harry Marshall was playing in the ruck dues to Sam's absence and was competing

well. He snuck forward and was able to slot our first goal of the match. Whitehorse managed to kick a couple of back-to-back goals straight after to extend their lead. However, Harvey was racking up possessions and wasn't afraid to put his body on the line, providing shepherds and tackles

constantly. This pressure led to Jay kicking his first goal just before the siren to peg one back before the main break. Adam was moved into the ruck and the third quarter was low scoring. Whitehorse managed to kick a couple of goals and we couldn't convert our set shots to go into the three-

quarter time break down by 28 points. Damo asked for an extra effort in the last quarter and the boys lifted to score the first 2 goals through Harry M and Dan. Kael chased hard, much to the delight of the coaches and did exactly what was asked. Whitehorse, however, were able to gain the upper hand towards the end of the quarter and ran away comfortable 7 goal winners. The result wasn't a true reflection of our effort and persistence. Today the girls were out at Brunswick on a cold windy rainy day. Warrantyte didn't score in the first quarter. Luckily Brunswick only kicked four points at quarter time. The coach (Tony) had a few plans for the girls and did they listen. Kicking two goals four points to Brunswicks one point The girls came in at half time Very happy with what they achieved . After halftime Warrantyte kicked five more goals and won the game by 40 points the ball use between the girls was a pleasure to watch.

Last time we played Ashburton the girls suffered a big defeat but the girls seemed determined to not have a repeat of this.

From the first buzzer, the competition was even and it took 14 minutes to score but 3 goals were kicked by Warrantyte at the end of the 1st quarter.

The 2nd quarter had great defending and we ended the first half still in the lead at 18 points (Warrantyte) to 15 (Ashburton).

Heavy rain set in during Halftime. In the 3rd quarter opposition scored their 3rd goal putting them in the lead at 20/21. Then 1 quick point by Warrantyte had the teams neck and neck. Neither side were giving up and strong defense on both teams meant the ball moved up and down the field. Unfortunately the final score had us lose by 1 point at 27/28.

This game was a nail biter and although the final outcome saw the Bloods losing by 1 point, the girls played a strong game and demonstrated their skills have significantly developed this season as has their team spirit.

Special mention to Gabby, Ashling, Jess & Bobby for playing a quarter each on the opposing team.

After winning 3 of our last 4 we went into today's game quietly confident. This week we played Surrey Park who were 3rd and we wanted to beat a team in the top 4, also wanting to reverse the 10-point loss from earlier in the year. The boys were up and about and switched on from the get-go. After our star intercept marking machine Callum led the boys out in his 100th game the boys got to work. It was a low scoring tight first half with us going in 7 points in front at the main break. The 3rd quarter was the 3rd week in a row we have kept our opponents goalless for a quarter while we kicked 3 ourselves giving us a 25-point lead at 3qtr time. After we had been in control all game Surrey Park came out firing making it an intense final quarter, but our boys stayed calm and played some very mature footy in the last few minutes playing smart tempo footy to be in front by 7 points when the final siren sounded. This is the 2nd time we have reversed results from earlier in the season meaning we have not been beaten twice by the same team this year, highlighting this group's development. As has been the norm over the last month everyone contributed but I would like to mention our back 6 Clem, Callum, Fletch, Seb, Tommy, Quinn who were massive all day repelling anything Surrey could throw at us. Rumi was electric on the forward flank kicking 2 while Toby kicked 3 more to continue

his good form. Charlie who every week rucks 95%-100% game time once again showed enormous heart even taking a running bounce which we loved in the coach's box. We have hit form at the right time of the year and even with a tough draw to finish there is no ceiling on what these boys could achieve this season. Go Bloods
