Club Song

*We are Warrandyte
We are the good old Red and White
We don't care, who it is we meet,
Because there is no team
that we can't beat.
We play together, we stick together,
In any weather
We give it all we've got for victory
We are the good old Red and White.*

(Tune: Carlton Theme Song)

Driving as little as 5km/h less can significantly reduce your chances of having a crash and the severity of injury if you have one. It can mean the difference between death and serious injury and avoiding a crash all together.

- 13 Ted Nisbet
- 17 Jack Zoanetti
- 18 Jarvis Barton
- 20 Luca Tice

The U8 football match between the Warrandyte Bloods and Beverley Hills was an exciting display of young talent and teamwork. The forward line of the Bloods was particularly impressive, with Koa Drake, Harry Watts, Ted Nisbet, and Jarvis Barton leading the charge. A standout moment came when Harry Watts made a goal-saving mark, which initiated a brilliant play that saw the ball swiftly moved from the Beverley Hills end back into the Bloods' forward line.

The second quarter showcased the Bloods' dominance, particularly in the midfield, where Jai Kreuzer, Harrison Fraser, Levi Fogarty, and Jack Zoanetti controlled the game with their strong play. The defence, led by Tom Wills and Ted Nisbet, was equally fierce. Tom Wills was exceptional

in organizing the defensive line, clearly instructing players on their roles and ensuring the team maintained a solid backline.

Daniel Meade emerged as the standout player of the match, demonstrating his skill and versatility across the field. His ability to dominate play, no matter where he was positioned, was a key factor in the Bloods' success. The team's efforts were rewarded with goals scored by Harry Watts, Koa Drake, Ted Nisbet, and Jarvis Barton.

The match concluded with Daniel Meade being deservedly awarded Best on Ground for his outstanding performance. Overall, the game was a testament to the Warrandyte Bloods' cohesive team play and individual brilliance.

After a few weeks off the Bloods came out firing at this week's clash against Beverly Hills! We missed Arlo, Jack, Harvey and Jesse but the rest of the team were up and about! The first quarter saw the opposition score early with a point, however the strong defensive line up of Henry, Isaac, Jackson and Kaiden kept them at bay. There was some strong tackling in the middle of the ground by Alby and August to keep the opposition on their toes. A great passage of play saw Noah kick long from the middle of the ground to be marked beautifully by Archer who played on and kicked a wonderful goal to get us on the board!

The second quarter saw exciting action early on in our forward pocket with August and Hendrix working well together to add another 6 points to our tally! The opposition fought back with strong tackling however our defence stood tall with Tom, Hazel, Archer and Kaiden putting on the pressure. Hendrix was strong in the middle tap out, at one point sending the ball hurtling to August who marked the ball well. He then loaded up and kicked a fabulous goal - great teamwork on display! Beverly Hills kept coming, however Henry and Alby were chasing down every player and Archer and Kaiden laying on some

strong tackles to slow them down. We saw plenty of action after the long break with Hazel working hard in the centre alongside Henry, Tom and Kaiden to get possession of the ball and send it to the forward line. In the forward pocket we had Isaac competing hard and fast for the ball with Alby and Jackson supporting well. A fantastic maiden goal by Jackson brought the scoreboard alive- congratulations Jackson!

The final quarter was a challenging one with Beverly Hills stepping up the pressure and making the Bloods work hard in response. Respond they did with Noah, Hendrix and August working well in the middle to get the ball to Archer who kicked to Tom in the forward pocket.

Tom marked it beautifully and kicked to Henry who ran away and banged it through for another goal for the Bloods. Henry wasn't finished yet and managed to boot through a second for the quarter helping the Bloods scoreline and easily being the stand out player of the match! It was a tough match and a fantastic effort by the Bloods team. Congrats to Henry as this week's well deserved medal recipient and also to August and Kaiden for their terrific efforts! Go Bloods!!!

First game back from the school holidays and it was a slow start. Both teams were seeking possession of the ball and putting pressure on each other with most of the action staying in the midfield. The second quarter showed more momentum from our team. There were more shots on goal created with the first goal of the match being scored by Xavier in this quarter. We kept applying pressure on the other team to keep possession with us and to create shots on goal. The second half of the match showed the skills of the team with long kicks and goals being scored. We were hungry for the ball and kept possession for most of the third quarter with a goal being scored by Charlie. The fourth quarter showed the skills of the team with lots of opportunities being created for goals and good passes being made.

The team worked more cohesively with each team member playing their part. Baxter Smyth scored the last goal of the match. Our defence was on display as we kept Richmond to a low score. Baxter Shelton had a great 50 th game and he was in the thick of the match by creating opportunities, taking shots at goal and scoring as well. Award winners- Charlie Pinder, Baxter

Shelton, Myles O'Keefe & Tommy Robertson
50 Game Medal - Baxter Wright

Well done to all the boys as we set up the road to the grand finals.

For a weekend that began with a global IT outage sending families digging under the couch for change, and a blustery, cold, wet Saturday, a sunny Sunday morning in Fitzroy was welcomed by the parents. The girls were also in high spirits welcoming Frankie back to the field.

The first quarter saw the Lions dominating the forward line, with the bloods backline under constant pressure and defending hard. Clearances from half back came from some great runs by Aria, Frankie, Abby M and Emily G. First Quarter 22-0.

The girls came out hard in the second quarter shutting down the Lions to a single behind with multiple turnovers and strong shepherds out of the backline and through the centre creating a lot more forward line action for the 'Dytes, with a goal to Bella and a behind each to Ella and Abby M. Half time 23 - 8.

The goal umpires perfected their synchronised behind flag waving in the third with a total of 8 behinds scored. The girls were tackling hard, with Olive leading the way and plenty of turnovers and runs from half back for both sides. Third Quarter 29-10.

The final quarter saw the girls hard at the

ball, with relentless tackles, scrapping for the contested ball and some great runs into the forward line. We were unlucky to convert several chances including two kicks on the run from Abby Morgan taking the paint off both goal posts within 5 minutes. Final score 32-12. Today's medal went to Aria and awards to Olive, Abby M, Frankie, Alice, Evie and Emily G and a shoutout to Sadie for making the journey to support the team from the sidelines.

The first game back after the school holiday break saw us venture to Binnak Park to take on the competition leaders Parade Saints on a ground with a centre square that was mud, mud and more mud. The first quarter was a tight contest. The windy conditions made scoring tough but eventually through the domination of Sam in the ruck and Jay out of the centre led to repeat forward entries.

Sam G was able to centre the ball from the boundary to the goal square where Noah was able to take a simple chest mark and convert the first goal of the opening term, whilst starving the Parade of a major. We went into the first break leading 1.1.7 to 0.3.3. Parade got off to a flying start in the second quarter kicking the first goal within 2 minutes to take the lead. They were able to gain ascendancy as the quarter progressed and kicked another 3 goals to our solitary behind to take a 20 point lead into half time. Parade kicked the first goal of the third quarter, but we were able to halve the contest off the back of tight defence with Frazer and Harry Z

holding up well in the backline. We could only manage another point for the term and went in 35 points down at the final break.

The first half of the last quarter was an even affair but unfortunately the Parade were able to up the anti and kick 3 goals late and once again we were left goalless. A disappointing end to the game but we need to train hard and make amends next week. Lee Tindal medal: Sam Gilliland. Award winners: Harry Z, Harvey and Harry M.

It was the perfect start to a Sunday morning morning football game, the sun was shining and the smell of bacon and egg rolls was in the air.

It was clear from the first bounce Whitehorse came to play, they managed to kick four goals straight in the first quarter.

The girls started the second quarter with more pressure and determination. Emme managed to kick the first goal and Noo also kicked an awesome goal. They kept Whitehorse goal less for the second quarter. So going into half time it was still anyone's game.

The fourth quarter saw Warrantyte with a lot of the ball and domination, but were unable to convert this to goals. Evie kicked a goal which kept Warrantyte in the game, and the girls gave it their all, but unfortunately they ran out of time.

On Sunday 21st July the U16 girls found themselves back at a muddy Stradbroke Park in Kew, the scene of the (rather stressful) drawn game earlier in the season. The mood or vibe in the changerooms before the game was light and cheerful, with the girl's playing music and dancing. Right from the first bounce the girls were on the attack, winning clearances and regularly driving the ball forward. It was very clear they were switched on and most importantly, really enjoying themselves out there. They dominated the first quarter with 7 scoring shots to 1 (22 to 1 at quarter time). It was more of the same in the second quarter, the running, great teamwork, tackling and link up play were exemplary, and they went into half time with a very handy 38pt lead (42 to 4).

I'm not sure whether the girls thought back to the drawn game when the Kew Rovers ran over the top of them in the last half, this time around it was a very different story. They kept up their relentless running, amazing teamwork and tackling to keep the Rovers scoreless in the second half. Considering that they hadn't played in 3 weeks or so and they pretty much have a finals berth locked away, it was an amazing, energetic performance and the huge 71pt victory was a just reward for the work and effort put in. It is hard to choose the best players in such a complete team performance, but I couldn't go past Zara Littlepage for her tireless ruck work, her many hit-outs are always

to the team's advantage. Around the ground Eve Kleynjan, Marley Aveling, Jasmine Knowles and Scarlet Legoussouart provided run and carry, Taya Davies up forward was fantastic and special mention to Sienna Parker, Maya Borg and Zara Veal for their efforts.

Goal Kickers: Taya Davies 3, Sienna Parker 2, Eve Kleynjan 2, Maya Borg 2, Isla Thomas 1, Jasmine Knowles 1.

Today we played the undefeated Parade. We were in front at quarter time and only a goal down a half time after defending incredibly well against the win. The boys out Parade under pressure I doubt they would of come up against this year. Our tackling was intense and Parade were certainly feeling. Unfortunately we ended up going down by 5 goals, but as I told the boys on the ground after the game they need to start believing that we are a top 4 side and are good enough to win the flag this year. The next two games are huge for us as move toward finals. 2nd place Parkside this week. There is still alot of footy for these boys to play this year they just need to start believing how far they have come and how good they are.

The youth arrived in anticipation of a competitive clash for their home against the top SMJL team, Prahman. The first was a Tough, hard fought quarter with a lot of time spent in their half which kept our backline very busy and playing a very physical game with heaps of pressure and some solid tackles by Milla and Poppy. We finished the first quarter a couple of goals down but ready for the next.

The girls responded to Prahman's game and started off strong in the second quarter with Rosie kicking our first goal for the game. As the temperature dropped and the light became a factor the girls continued to fight with good second efforts. We managed to keep it down in our forward line heading into half time but unfortunately couldn't hit the scoreboard with another goal.

We Started the 3rd quarter off strong fighting to keep in out of their forward line with some tough work by Tessa and Lucy in our forward line and Vitts and Edes pushing hard on the wings to push the ball up into our forward line. Unfortunately we were struggling to score finishing the quarter, but also keeping the opposition from scoring goals as well.

Heading in to the final quarter the stakes were

high with Lotti, Jess and Heidi worked fiercely in defence to give our forwards something to play with. With 5 minutes to go Charlie managed to snap an eagerly anticipated goal.

Finishing the quarter 11 points down the girls should all be super proud of their efforts in their first combined league clash!!

TOYOTA

Yarra Valley Toyota Croydon

Had the school holiday break left the boys well rested, ready to finish off the season with the grace and flare of ladder leaders? Or would half of them shuffle out onto the field looking they got dragged out of school formal after-parties at 3am and the other stumbled off planes from the NT late last night?

The first 10 minutes of the game would definitely indicate the latter. River, lived up to his name, went with the flow and delivered a delicious goal. This inspired the rest of the team. After a lot of to and fro'ing from both sides, Will Gwas able to find a way through the big sticks. Raph's penchant to for the parabolic 6 pointer from the boundary line continued, scoring on the siren to put us in the lead and turn the game around.

The second quarter opened, paradoxically with a goal from Jacob-the-Closer. The centre was on fire. Sam and Charlie having a great time in the ruck. The only thing slipperier than the ball was Jamie, bamboozling the opposition at every turn. Sibling synchronicity resulted in a

Jack goal. A centre circle Xavier boomer got the ball to Archie in the goal square, who managed to crumb it though to finish the job. Jacob Close-d out the first half, getting ball to boot as the siren rang, for another goal. We headed into the changeroom with a four goal advantage.

Further goals to Xavier, Sam and Jack rounded out the match.

Now I know we are supposed to fully respect the umpires at all times. And I do. Almost. Unless it's a boundary umpire who may have had their prime footy playing days back when Vanilla Ice was cruising Beachfront Avenue. For the true highlight of the game today was when said umpire was valiantly attempting to keep up with play, found the surface a little treacherous and went for an inglorious tumble. May you be able to walk tomorrow... and remember to "Ice, Ice, Baby...too cold... too old?"

Invisalign treatment straightens teeth by using a series of clear, removable aligners that have been custom made to suit your child's teeth.

- **Convenient**

Straight teeth in as little as 6 appointments to our practice over the treatment time.

- **Feels better**

The aligners are comfortable, clear and hygienic.

- **Custom made**

Customised treatment plans designed by our specialist orthodontists who are with you every step of the way.

- **A happier experience**

Your child can take out their aligners allowing them the freedom to experience life to the fullest without orthodontic treatment impacting their lifestyle.

Get your child's smile assessed
