Club Song

*We are Warrandyte
We are the good old Red and White
We don't care, who it is we meet,
Because there is no team
that we can't beat.
We play together, we stick together,
In any weather
We give it all we've got for victory
We are the good old Red and White.*

(Tune: Carlton Theme Song)

Driving as little as 5km/h less can significantly reduce your chances of having a crash and the severity of injury if you have one. It can mean the difference between death and serious injury and avoiding a crash all together.

- 18 Jarvis Barton
- 20 Luca Tice

In an exhilarating U8 football match, the Warrandyte Bloods showcased their prowess, overwhelming Doncaster with a final score of 11.5.71 to 3.4.22. The Bloods' forward line, featuring Ted Nisbet, Koa Drake, Jack Zoanetti, Jai Kreuzer, and Jarvis Barton, was instrumental in securing the victory. Ted Nisbet was particularly outstanding, delivering a stellar performance with a remarkable tally of four goals.

The midfield, held together by Harrison Fraser, Levi Fogarty, Boston William Brown, and Harry Watts, demonstrated excellent control and distribution throughout the game. Their ability to win contests and move the ball effectively played a crucial role in setting up scoring opportunities for the forwards.

Defensively, Luca Tice, Tom Wills, and Daniel Meade were formidable, thwarting Doncaster's attempts to score and maintaining a strong backline. Their efforts ensured that Doncaster was kept to just three goals for the entire match.

Boston William Brown emerged as the standout player of the match, displaying exceptional skills and versatility. Regardless

of his position on the field, he consistently made significant contributions, earning him the best on ground accolade. His performance was pivotal in both the midfield and defensive phases, making him a crucial asset to the Bloods' triumph.

In addition to Nisbet's four goals, the scoring was supplemented by contributions from Koa Drake, Jack Zoanetti, Jai Kreuzer, and Jarvis Barton, each adding to the scoreboard. The collective effort of the team, marked by outstanding individual performances and cohesive teamwork, led to their dominant victory over Doncaster. This match highlighted the Warrandyte Bloods' talent and potential, promising a bright future for the young footballers.

The U9s were ready and raring to go early after their team photo saw an early start to the morning. Under the grey clouds and drizzle of the Warrandyte sky, our players faced off against the Beverly Hills Navy team. The game started with intense energy as both teams displayed impressive skills, and the first 5 minutes centred around the Bloods forward line. Unfortunately, momentum switched and the remainder of the first quarter saw our back line get a workout with Harvey, Noah, Tom and Kayden showing off their strong defensive skills only keeping the Beverly Hills to a few rushed behinds in the first quarter. Highlights included Kayden sheltering behind an umpire to quickly obtain possession with the unsuspecting opposition caught by surprise with his swift pick up of the ball and strong kick into the midfield, and Noah smothering a kick for goal as he stood on the mark. Hendrix, Issac and Alby were nimble in the midfield, managing to pick up the slippery ball and dodge and weave past the opposition.

The fast-moving clouds saw full blue sky and sunny weather arrive in Warrandyte for the start of the second quarter, however unfortunately that didn't carry on the field

for the Bloods with Beverly Hills taking full advantage of the sunshine and scoring a succession of goals. Again, our defence got a workout with August, Tom, Archer and Jack having to defend many attempts at goal. Tom, in particular stopped a certain goal with a strong mark on the line highlighting the Bloods defensive efforts and keeping the opposition to just a couple of goals in the first half. Jackson and Issac were strong in the midfield as the ball rebounded back and forth between them and the Beverly Hills forward line.

The second half saw the return of the gloomy cold weather, but the rotation of positions saw a number of our players who had been patiently waiting in the forward line, given a chance to test their skills defensively and in the midfield. Arlo, Alby, Hazel and Henry came into their own in the second half with strong picks ups of a slippery ball in the muddy conditions and powerful long-distance kicking. Three injuries in the second half saw three of our key attack players in Issac, Arlo and Kayden needing the attention of the trainer but all returned to the field to support their teammates in our second half comeback.

On a wet Sunday morning at Ivanhoe Park, the Under-11s clash between Warrandyte and Ivanhoe took place under the muddiest of conditions. The aftermath of the club function the night before left some parents nursing sore heads, but it was nothing that a hot dog and can of coke couldn't fix.

This game was crucial for Warrandyte, as they needed a win to secure a double chance in the finals, while Ivanhoe treated it as their grand final, eager to make a statement on their home ground. Warrandyte started strong, with Sammy's massive tackle early in the first quarter setting the tone for a fierce contest. The intensity was palpable, and it wasn't long before Ollie launched a long bomb, scoring the first goal and giving the Bloods an early lead.

The second quarter saw the sun make a brief appearance, and with it, Warrandyte's game plan began to click. Billy's heroic slide through the mud to win a one-on-three contest epitomised the team's determination. Smyth's second goal added to the momentum, and Warrandyte seemed to be in complete control as they headed into halftime.

Whatever the Ivanhoe coach said during the

break worked wonders, as the home team came out with renewed vigor in the third quarter. They dominated territory and kept the ball in their forward half, but were unable to convert their chances into goals. Warrandyte's defence held firm, keeping their lead intact.

The final quarter turned into an intense arm wrestle, with both teams giving everything they had. Five minutes from the end, a controversial downfield advantage was awarded to Ivanhoe, allowing them to score and narrow the gap to a single kick. With just a minute left on the clock, Ivanhoe managed to goal again, shattering the hearts of the young Warrandyte players who had given their all. The Bloods will now be forced to do it the hard way without the finals double chance. Time to embrace the challenge and get down to work!

Our second last round for the season saw us playing against Whitehorse, on a very sloshy and waterlogged Warrandyte oval. Luckily the rain held off, but the clouds were looking very black and threatened rain for most of the game.

Olive started us off in the ruck with a great tap and this continued with Mia and Leila, who also won taps throughout the game.

There was some excellent tackling by all, especially by Ella and Aria who were tackling girls double their size!

The girls got the ball up into forward 50 quite a few times, but struggled to

convert.

Unfortunately the scoreboard did not reflect the hardwork and determination demonstrated by the girls; but the mud from head to toe definitely did!

The Lee Tindale medal went to Aria for the second week in a row! The vouchers went to Atanaz, Emily L, Mila and Willow. Well deserved girls!

A shout out to Molly who, despite being injured, came down to support her team mates and was a great little assistant to Chanelle & Mike.

And also to Libby who, despite Molly not playing, still did the boundary umpiring.

This week we were looking forward to meeting Balwyn at home, a team we beat comfortably last time we met. Unfortunately, we lost players through injury and illness through the week, we went in slightly undermanned but weren't going to use it as an excuse. The boys started well in the first quarter under tough conditions. It was a very even contest with Leo repelling Balwyn's forward movement on several occasions and Sam G was tough at the contest. Balwyn however were able to kick 3 late goals to take that margin into the first break. Damo asked for more effort and intensity in the second quarter and the boys responded. Although Balwyn scored the first goal early, the game wasn't all on their terms and we managed to keep them to only 2 goals for the quarter. The

boys came out firing after half-time, Harvey was running his legs off on the wing and a quick entry to the forward line saw Noah sell candy and kick a clever snap to register our first goal of the game. This was quickly followed by Archie kicking truly from a set shot to reduce the margin to 15 points midway through the third quarter. Dan was moved to defence and relished his opportunity to stop their forward movements. We won the quarter but unfortunately, they scored a lucky goal late. The wind picked up in the last quarter which made scoring difficult. Although both sides were goalless for the quarter our intensity and effort never wavered. Lee Tindal medal: Harvey Brown. Award winners: Taylor, Dan and Leo.

It was the perfect start to a Sunday morning morning football game, the sun was shining and the smell of bacon and egg rolls was in the air.

It was clear from the first bounce Whitehorse came to play, they managed to kick four goals straight in the first quarter.

The girls started the second quarter with more pressure and determination. Emme managed to kick the first goal and Noo also kicked an awesome goal. They kept Whitehorse goal less for the second quarter. So going into half time it was still anyone's game.

The fourth quarter saw Warrantyte with a lot of the ball and domination, but were unable to convert this to goals. Evie kicked a goal which kept Warrantyte in the game, and the girls gave it their all, but unfortunately they ran out of time.

Everyone was so excited to celebrate our milestone's this week 100 games for Marley and 50 for Ruby. Both attacked the banner in the same way they attack every game; having fun & fiercely.

The first quarter was very even but no goals were scored, even though the ball was in our half for the most part. The second quarter was much more productive with 2 majors scored by Maya and Taya from some beautiful delivery from further up. North Brunswick scored this quarter also but although there was some concern this might kick off their game, this remained their only goal.

The last 2 quarters were eventful with Trixie & Maya converting each in the next 2 quarters. North Brunswick were constant in their pressure & physicality, but our girls remained positive and continued to play our type of game, eventually winning by 17 points. The girls were amazing, with contributors across the whole team and we should all be really proud of every single one of them.

Medal went to: Trixie

We were at Victoria Park for the second round of the YJFL v SMJFL Super League! Cold. Wet. Beaumaris the opposition today.

The girls were looking fired up after a narrow defeat in last week's top of the table clash. Q1: Raegan's hip and shoulder setting the tone early. Good pressure from the girls. Lots of time spent in the forward 50 but Beau (Bowie?) were defending fiercely and the first real chance to score only came right on the siren. Lucy slotting a major with a perfect banana from a tight angle. 6-0 at quarter time.

Q2 started the way that Q1 finished: Lucy again. This time a snap over the left shoulder. Showing some class. The girls had an excellent second term, opening up a 5 goal lead by half time. AJ getting a brace. Edie and Vits combining nicely.

Q3 was a tight affair, much like Q1. Q4 Bowie started strong but The Bloods held firm and countered with a couple of goals. Milla getting in the action and having an excellent game. A free kick for Sophie in front of the goals - the oppo taking exception to her physicality, and pulling

her to the ground off the ball.

In the end it was a well deserved 34 point win for The Bloods. As always the girls applied lots of pressure, never giving the oppo much time and space. Clean hands in difficult conditions ultimately proving the difference.

Yarra Valley Toyota Croydon

It was an icy cold day to start to the game, with the sun poking through from time to time. The centre of the ground was a mud pit as was to be expected from the week's rain leading up to game day. The rest of the ground was surprisingly dry.

Our boys started off in good Bloods spirits after their team photos and with their game day music in Hawthorn's beautiful club rooms. They acclimatised with pre game practice in the reserve's puddles and were ready and pumped for the game. We knew it would be a tough one. We started off strong with a couple of behinds then a goal from Orlando to get us going. Hawthorn were having none of this and quickly matched us on the score board. Some great defence from Mark kept Hawthorn at bay. At the end of the ¼ we were in front by 4 points.

Second quarter quickly became a game of rugby as the boys tackled in the mud pit and struggled to maintain control despite our best efforts. Frustration started to show and there was a bit of rough and tumble as we continued. It was about this point that Hawthorn ran away.

3rd and 4th quarter were played under lights with the daylight fading with our

hopes. Our boys gave it their all but were unable to keep Hawthorn in check. We played our best in very trying and somewhat relentless conditions all round. Back at it this week. Go Bloods.
