Club Song

*We are Warrandyte
We are the good old Red and White
We don't care, who it is we meet,
Because there is no team
that we can't beat.
We play together, we stick together,
In any weather
We give it all we've got for victory
We are the good old Red and White.*

(Tune: Carlton Theme Song)

Driving as little as 5km/h less can significantly reduce your chances of having a crash and the severity of injury if you have one. It can mean the difference between death and serious injury and avoiding a crash all together.

- 20 Luca Tice

In one of the coldest matches of the season, with temperatures barely rising above 2 degrees, the Warrandyte Bloods faced off against Park Orchards in a thrilling U8 football match. The fog-covered ground made for a challenging start as the boys took some time to warm up and find their rhythm.

The forward line was particularly impressive, with Koa Drake, Levi Fogarty, Jai Kreuzer, Boston William Brown, and Jarvis Barton leading the charge. Their determination and skill in front of goal were key to the Bloods' offensive play, with each of them contributing to the scoreboard.

In the midfield, Jack Zoanetti played the game of his life. He was relentless, absorbing tackle after tackle, and his ferocity set the tone for the rest of the team. The midfield unit, bolstered by the efforts of Daniel Meade, Iliya Yaghooti, and Ted Nisbet, ensured that the Bloods remained competitive throughout the match.

Defensively, Tom Wills, Ted Nisbet, and Harrison Fraser held firm

against Park Orchards' attacks. Harrison Fraser, in particular, was a standout, anchoring the defence with remarkable composure and skill. His performance earned him the well-deserved title of best on ground.

In the end, the Warrandyte Bloods emerged victorious in their final match, winning by a narrow margin of 5 points. The goals from Koa Drake, Levi Fogarty, Boston William Brown, Jai Kreuzer, and Jarvis Barton were the difference in a hard-fought and memorable contest.

Today marked the final match of the season for the Warrandyte Bloods Under 9s, and what a memorable day it was! The weather was a brisk 2 degrees Celsius, with a thick fog hanging over the oval, creating an almost mystical atmosphere for the young footy players.

Despite the chilly conditions, the team's spirits were high as they took to the field for one last time this season. The Bloods faced a formidable opponent in Bulleen Templestowe, who proved to be strong contenders from the outset. However, the Warrandyte Bloods were determined to give it their all and finish the season on a high note.

One of the standout moments of the match was Hazel's incredible performance. Hazel, who has shown unwavering dedication throughout the season, was rewarded with her first goal. The entire team erupted in cheers and surrounded her in celebration, their excitement palpable. It was a heartwarming moment that highlighted the camaraderie and support within the team. For her outstanding efforts, Hazel was awarded the prestigious Lee Tindle Medal for being the best on ground.

Other notable performances came from Alby, Jaxon, and Archer, who each received awards for their contributions to the game. Alby's tenacity, Jaxon's skillful

play, and Archer's relentless energy were all crucial in keeping the team competitive throughout the match.

Although Bulleen Templestowe ultimately took the win, the Warrandyte Bloods showed incredible resilience and determination. The team's strong finish in the fourth quarter was a testament to their hard work and perseverance. They may not have won the match, but they certainly won the admiration of everyone watching.

After the final whistle, the team gathered in the rooms for a rousing rendition of their club song. The walls echoed with their enthusiastic voices, a fitting end to a season filled with growth, learning, and unforgettable moments.

As the players and their families reflected on the season, there was a shared sense of pride and anticipation for what lies ahead. The Warrandyte Bloods Under 9s have shown tremendous potential, and everyone is already looking forward to seeing them back on the field next season, ready to take on new challenges and create more memories.

Here's to a fantastic season and to many more to come! Go Bloods

After 2 weeks of playing footy in muddy swamps it was nice to be back home on firmer ground and the sun was out for Baxter W and Zane to run through their 50 game banners.

The boys were on from the start today and after a brief period of play in the opposition forward line, we were able to take the ball out of defense and into our forward line with great link up play. First goal of the game went to the always charismatic Mav who played on after a great mark in the square. With strong ruck taps and great positioning by our midfielders, we were able to score another first quarter goal. Finn's monster kick for goal was touched on the line. We kept St Mary's scoreless and took a healthy 16 point lead into the quarter time break.

The second quarter started with just as much commitment as the first leading to a quick goal. Joel H was solid in defense and took a great mark to stop a certain goal to the opposition. Again the midfielders applied plenty of pressure with strong tackles. Baxter S and Shelts both earning well deserved holding the ball free kicks for their efforts. We were able to to push forward an several attempts and extended our lead.

St Mary's came out strong in the third quarter, but our boys were up to the challenge. Joel K and Shelts continued their strong ruck work and the midfielders continued to pick up all their tap outs and ground balls. Miles A and Miles B combined some great running, kicking and marking down the wing. Ollie also had a fantastic run through the misfiled - only slightly too far according to the umpire. Impressive link up play from Paryag to Murphy to Finn resulted in a goal. Again great defensive work from the back line when the ball entered their territory kept St Mary's to just one point for the quarter.

The final quarter saw Billy continue the strong ruck work and a few of the back line players moved up onto the ball. The boys continued to work hard throughout the final quarter to extend their lead, with some great efforts by Miles to keep the ball in play.

All game the boys were making lead after lead for the ball, and kicks were on target either to players or into space for players to run onto to it. Great team play by everyone. A well earned win to celebrate Baxter and Zane's 50th games and to end the season. Bring on our semi final

Our second last round for the season saw us playing against Whitehorse, on a very sloshy and waterlogged Warrandyte oval. Luckily the rain held off, but the clouds were looking very black and threatened rain for most of the game.

Olive started us off in the ruck with a great tap and this continued with Mia and Leila, who also won taps throughout the game.

There was some excellent tackling by all, especially by Ella and Aria who were tackling girls double their size!

The girls got the ball up into forward 50 quite a few times, but struggled to

convert.

Unfortunately the scoreboard did not reflect the hardwork and determination demonstrated by the girls; but the mud from head to toe definitely did!

The Lee Tindale medal went to Aria for the second week in a row! The vouchers went to Atanaz, Emily L, Mila and Willow. Well deserved girls!

A shout out to Molly who, despite being injured, came down to support her team mates and was a great little assistant to Chanelle & Mike.

And also to Libby who, despite Molly not playing, still did the boundary umpiring.

We ventured to Springfield Park to take on Whitehorse Colts for the last game of the season, hoping to finish on a high. Unfortunately, we were down to 17 players, but the boys were fired up and ready to go for the first bounce on a sunny Sunday afternoon. The first quarter started with a flurry of rushed behinds to the Colts. Frazer was resolute in defence and eventually Archie was able to sneak forward and kick a magnificent running goal to register our first major. Whitehorse answered quickly before Noah roved the pack late in the quarter to snap truly and give us a small lead going into the first change. The pressure and tackling to start the second quarter were immense. Archie was using his leg speed and dominating off half back which led to Noah kicking his second goal of the game.

Adam, Harry and Frazer continued to be tight in defence and restricted Whitehorse to a solitary behind and we went into the main change with a 11-point lead. The third quarter got off to a shaky start, with Whitehorse kicking the first 2 goals to gain back the lead until a centre clearance

led to Taylor taking a strong contested mark in front of goal and convert and give us a 4-point lead into the last change. Damo encouraged the boys to keep the pressure on and continue run in the last quarter and they started just as he'd asked. Another centre clearance from Sam G led to Sam C taking a mark 30m out from goal and kicking truly to give us a handy 10-point lead. Whitehorse answered a few minutes later before Archie then kicked a magnificent goal to gain the 10-point margin. Whitehorse

kicked a late goal after a controversial 50m penalty to reduce the final margin to 4 points in our favour. Final scores: Warrandyte 6.5.41 to Whitehorse Colts 5.7.35. Although we've had a tough year

predominantly due to injuries, it was fantastic way to finish the season with a win. Award winners:

Sam Gilliland, Cooper Byrnes, Ethan Sampimon and Archie Andrew.

It was beautiful sunny Sunday morning at Camberwell Sports ground. Warrantyte knew the contest ahead of them was going to be tough, coming up against the top placed Camberwell Sharks.

The Sharks scored a sneaky goal early in the first quarter, which is where they struck their momentum. It was a daunting first few quarters with the ball making very few appearances in Warrantyte's forward half, but Warrantyte kept running hard and laying on some tough tackles. Madelaine, Anouska, Saskia and Sophie made a solid effort trying to keep the ball moving forward, but the mighty Sharks kept out-marking us.

Hazel and Luella worked hard all day in the back line intercepting numerous goals and moving the ball forward out of danger.

At half time the score was a grim 52-0. We were hopeful the snakes and oranges would sustain Warrantyte's energy.

The Sharks were challenging contenders and kept Warrantyte scoreless until the third quarter. The ball dribbled out of a busy pack and through Warrantyte sticks for a minor score.

Saskia was a standout for Warrantyte,

demonstrating her clean skills and the ability to find space about the ground. Moments before the final siren, Saskia scored the first and only goal for the Bloods, seeing the final score 12.9- 81 (Sharks) to 1.1-7 (W'Dyte).

It was a difficult way to end the season, but Warrantyte did as they always do and fought it out to the very end and came off the field with their heads held high. It was a performance to make us all proud.

As we wrap up the 2024 season, we have a lot of good times to reflect on; some great wins highlighting the real potential of the team, refined and newfound skills, cohesive teamwork and a whole lot of fun. On behalf of all the players and parents, we would like to thank the truly committed coaching due, Zoe and Tony, for giving up their time and helping the girls to improve their fitness and form every week. We would also like to thank Tristan and Leanne for keeping us all organised and on task every game day. To the Pearce and Greenhill family, thank you for filling the big roles every week. We appreciate your dedication to the team.

Til next season, go Bloods!

Our girls played a team today that has absolutely steamrolled everyone this year, and like those who came before us, we got smashed. But right before finals season, Warrandyte lit a fire under the dominant side.

Kew came in strong, kicking six goals in the opening quarter to our one cracking goal courtesy of Maya. Quarter time saw the coaching team encourage the girls to focus on defence, and this is when Warrandyte began to unsettle the opposition.

The second quarter started with a great tackle from muddy Millie and a nice mark by Remi. The girls began to apply pressure and Kew lost their ability to kick straight, taking so many shots at goal and missing, twice hitting the goalposts. Taya took a spectacular mark which turned into a

spectacular tackle, while Trixie and Gabby brought the Armageddon to the Comets.

In the third quarter the girls controlled more than 50% of the contest, never giving up and making Kew work for every single goal. Teagz kicked the Bloods' second goal, sending us soaring into double digits.

Jess, Jas, Eve, Isla and Emer displayed strong leadership throughout the remainder of the game, pushing the whole team onward right up until the final siren.

This week's picture is from two weeks and several fairly hectic injuries ago and it shows the heat and strength in a playing group stacked with the next generation of kickass women.

Q1 ORTHODONTICS

We tied up our pack horses and ate our cut lunches, after the long trek to Glen Iris, for our round 6 super league game against St Peters/Bentleigh. The sun shone on Issy as she destroyed her 50 th game banner leading the girls out. She took that aggression straight into the first ruck contest, tapping to Eads who put it on the boot for the first of many inside 50's. Rose prowled the forward line early, opening the Warrandyte account with a point, followed by another great passage from Lucy to Milsy to Eads yielding the same result. Issy, Charlie and Sophia's ruck domination ensured Saraya and Eden got first use of the footy and they partnered well to move the ball forward quickly.

At the 9-minute mark, Saraya got loose and slotted our first goal. Soon after, Issy intercepted the kick from full back and pumped it back in for Saraya's second goal. At this point, the Warrandyte backline were enjoying their first a cup of tea for the afternoon, watching Issy top off a dominant first quarter as she fed Lucy running in for an easy goal.

Q2

The great ruckwork continued into the second quarter with Charlie winning every single bounce. AJ was working the half forward line beautifully, but it was Sophia who kicked truly from 25 directly in front after Farrah had navigated some heavy traffic to spot her up. Lucy beat her opponent one out and hit AJ on the run by hand who kicked her first of 3 goals for the day, taking the lead to 41. Sophia then intercepted another St P full back clearance, this time taking the shot herself and converting with a beautiful kick from 30m out. The Warrandyte back line did have to put down their teacups in the second quarter, as St P's made numerous entries into their forward 50. Lead by the ever-present, ever-physical Raegan, and supported well by the Ash's and Poppy, a clean sheet was maintained into the half time break.

Q3

The second half started perfectly after Lucy pressured their full back into a skill error and then hit Charlie lace out 25m in front. She kicked it 50 and it sailed through post-high, just to be sure. Eads, Saraya, Vits and Rose continued to dominate the midfield, giving priority access to the Warrandyte forwards. Eads's efforts were rewarded with a sensational goal from 35 out although Trent thought it was more like 50 . The third quarter forward line defensive pressure was notable, with some brutal tackling by all. Rose found more run out of the midfield and Ash, Heidi, Poppy and Farrah remained solid in defence with a couple of pushes forward by St P's rejected. Great forward pressure from Haley released Milla who found Charlie by foot for her second goal of the quarter.

Q4

The final quarter started with another Sophia intercept mark, then finding the leading AJ who kicked truly from the boundary line for her second goal. Farrah made her presence felt in the champions quarter with some hard midfield work under the packs. Hayley performed one of her signature 100 metre soccer runs out of defence worth a couple of kicks at least with the ground gained. St P's intensity lifted in the final quarter, and they managed to hit the scoreboard twice, giving our defenders a chance to get involved more in the game where Ash was noted in the post-game accolades for her work there. AJ then kicked her third after Lucy won another ruck contest on the forward flank. Poppy followed this up, showing the crowd what a third effort looks like, after chasing down three to re-possess the football. Many players were noted in the post-game wrap-up, but we won this game 81 to 7 because every one of our girls won their positions and played for each other.

It was a joy to watch and many of the girls clocked up a few hours of learner driving on the long journey home too!

TOYOTA

Yarra Valley Toyota Croydon

It was an icy cold day to start to the game, with the sun poking through from time to time. The centre of the ground was a mud pit as was to be expected from the week's rain leading up to game day. The rest of the ground was surprisingly dry.

Our boys started off in good Bloods spirits after their team photos and with their game day music in Hawthorn's beautiful club rooms. They acclimatised with pre game practice in the reserve's puddles and were ready and pumped for the game. We knew it would be a tough one. We started off strong with a couple of behinds then a goal from Orlando to get us going. Hawthorn were having none of this and quickly matched us on the score board. Some great defence from Mark kept Hawthorn at bay. At the end of the ¼ we were in front by 4 points.

Second quarter quickly became a game of rugby as the boys tackled in the mud pit and struggled to maintain control despite our best efforts. Frustration started to show and there was a bit of rough and tumble as we continued. It was about this point that Hawthorn ran away.

3rd and 4th quarter were played under lights with the daylight fading with our

hopes. Our boys gave it their all but were unable to keep Hawthorn in check. We played our best in very trying and somewhat relentless conditions all round. Back at it this week. Go Bloods.

LOVE THE GAME **NOT THE ODDS**

The virtually invisible
solution to straighten
your child's *smile*

Invisalign treatment

Invisalign treatment straightens teeth by using a series of clear, removable aligners that have been custom made to suit your child's teeth.

- **Convenient**

Straight teeth in as little as 6 appointments to our practice over the treatment time.

- **Feels better**

The aligners are comfortable, clear and hygienic.

- **Custom made**

Customised treatment plans designed by our specialist orthodontists who are with you every step of the way.

- **A happier experience**

Your child can take out their aligners allowing them the freedom to experience life to the fullest without orthodontic treatment impacting their lifestyle.

Get your child's smile assessed

Book online at lavinortho.com.au or call 03 9846 3811.

It's our business to make you *smile*
