Club Song

*We are Warrandyte
We are the good old Red and White
We don't care, who it is we meet,
Because there is no team
that we can't beat.
We play together, we stick together,
In any weather
We give it all we've got for victory
We are the good old Red and White.*

(Tune: Carlton Theme Song)

Driving as little as 5km/h less can significantly reduce your chances of having a crash and the severity of injury if you have one. It can mean the difference between death and serious injury and avoiding a crash all together.

TIPS TO AVOID DROWSY DRIVING

Driving long distances to games on regional roads can be risky.

Plan a rest stop on your way to each game. Pull over for a rest and a coffee to stay on the ball.

**Driving tired?
Wake up to yourself.**

The day started out on an exciting note with two 50 gamers running through the banner. Charlie and Ike are two players that I love watching play each and every weekend. Their speed and run is great to watch. The first quarter was a tight contest. Murph kicked our first goal after some great ball movement from the back half. Fynn was strong on the wing and Smyth, as usually, was impacting the game early. The boys came into quarter time down by a goal. A highlight for the quarter was watching Luke get a fingertip to a kick for goal and then running his full measure from full back to move the ball quickly from the kick out.

The second quarter was a tough one for the boys. The ball didn't come down to the forward line very often. Macleod set up very well behind the ball, which made it difficult for the ball to go in our direction. Unfortunately, early in the quarter Ike got a knock to the head which meant his 50th game didn't go the way he wanted. Jimmy and Max were strong in the backline trying to stop the consistent flow of ball from the middle of the ground into our backline.

The third quarter was a more even contest on the scoreboard. Ending up 1 goal to 2 points. Charlie, in his milestone game, was buzzing around in the forward line looking dangerous. Unfortunately, we just couldn't get that

important second goal. I was told that people in Warrandyte could hear Miles Andrew call "build the wall". He also had a great quarter on the wing.

The last quarter was all Macleod with the ball living in their forward line. Although the scoreboard was one sided (4 goals to none in the quarter), it could have been even worse if it wasn't for Joel H down back; marking and collecting the loose ball to stop the Macleod attack.

Although the result didn't go our way, the boys have a second chance this weekend. It was also a great opportunity to celebrate two much loved boys within the team; Charlie and Ike. I look forward to seeing them both using their run next weekend.

Our U14 Girls arrived at the ground with a measured level of excitement after finding out they were playing finals late on Monday and coming up against the third place team the Heidelberg Tigers. The results had been tough against the Tigers during the season but with Anouska's 50 th game milestone also to celebrate there was a determination brewing within the team during the warmup.

The Bloods took to the ground ready to play and our girls fought hard and defended well late into the quarter, the Tigers kept coming at us and scored with multiple drives to goal. With multiple inside 50's for the Bloods we finished the quarter strongly and were unfortunate not to hit the score board.

The Bloods lifted in the second quarter winning the hit-outs and tackling fiercely to shutdown the Tigers offence. Maddie.R, Anouska, Sophie, Eliza and Saskia all battled hard and kept the ball moving forward resulting in our first major with Maddie.R kicking truly, the Bloods were within two points and we now had a game on our hands. After the Tigers scored their second goal we went into the half time break trailing 15-7.

The Bloods came out after half time with renewed energy and stopped the Tigers advancing forward at every turn. With Maddie.R and Emmie both slotting through goals the Bloods had now hit the front. Again the Tigers pushed forward and after a fortunate decision in front of goal they put themselves back in front.

After a tough battle in our forward 50, Layla crumbed the ball off the back of the pack and slotted through a well-deserved Birthday goal right on the siren. The Bloods were now in front by 3 points and ready to bring home the win. From the first bounce in the fourth quarter it was clear the Bloods wanted the win and kept the ball moving forward with strong defence at half back and continual pressure at the ball to stop any advance the Tigers threw at them.

The Bloods controlled the quarter through to the end with Saskia scoring our fifth major to seal the win 33-22.

Well-deserved Coaches awards went to Anouska, Saskia, Eliza and Layla for the efforts through the centre and up forward. With a strong finals win in the bank the girls are now looking forward to an exciting Prelim next Sunday – GO BLOODS.

It was a beautiful day for footy and we liked our chances against Kew Rovers, who have been pretty evenly matched with us, in our previous 4 games (yep 4 games) as we have got that little bit ahead each time.

But firstly, it was fantastic to watch the Under 14 girls play the game before us and take out a great win, adding to the excitement of our upcoming game. There were also a lot of the youth girls staying to watch the first half before heading off for their decisive win.

The game started well and the ball was mainly kept down our goal end through

strong defensive teamwork. Kew were good but we had a lot of the play and although we scored a goal, it felt like we could have had more. This feeling continued into the next quarter where we had a further 2 goals 2 points, with Kew still not having scored however we left a few good chances go.

The second half was a slog with Kew scoring but not going much further. The game stayed tight and there was a huge sigh of relief when the siren sounded. It was good to get this one done & now we look to see what we can do with Ashburton this week.

It's time to play the music

It's time to light the light the lights

It's time to meet the Muppet's."

Yes, if you were lucky enough to be sitting in the crowd of the Youth Boys qualifying final you could've been forgiven for thinking you'd taken a wrong turn in the labyrinthian hell of the Greensborough backstreets and ended up in an Aldi version of Jim Hensen's mind.

No sooner had I lay down on the grass to bask in the spring-like sunshine, the opening siren still echoing in my skull and Bulleen-Temp had five unanswered goals on the scoreboard. And that's when it started. Waldorf and Statler started up their special comments/heckling from the backstalls of Bay 13, our team photographer donned an apron and started nonsensical muttering in Swedish. The highlight of the quarter came from a rare clearance from the centre which Mark swooped in on and capitalized with our first goal. The second quarter started the same as the first. Harrison P, Harry T and Jayden in the backline were working overtime. Hopefully no one checks up on child labour laws. It was around this time two things became apparent. One field umpire fancied himself as Fozzie Bear, trying out his stand-up comedy gear on a very tough 16/17 year-old boy crowd. They were not having it. Kermit and Miss Piggy on the sidelines, on the other hand, they got it. The second more important thing? Maybe a new sponsorship idea for next year could be getting some optometrists on board. There was some

serious male color blindness happening today.

Warrandyte couldn't seem to distinguish between red and blue when they were kicking the ball. Not since Meatloaf, at the 2011 AFL grand final, has the half-time entertainment been as good as watching a certain group of Dads attempting to play kick-to-kick. It's OK, I had the defib at the ready. Frightened by what their future may hold after what they had witnessed at half time, our boys came out fighting at in the third quarter. Two quick goals by Orlando and Archie had the Bloods heads held up high for the first time all game. The final quarter was an even tussle, Xavier and Orlando slotted through a 6-pointer each to finish off the game but it was too little to late. We have a second chance next week. Go Bloods.

"Mah na mah na do do do"

Healing vibes to the finest boundary umpire the YJFL has ever seen.

LOVE THE GAME NOT THE ODDS

The virtually invisible
solution to straighten
your child's *smile*

Invisalign treatment

Invisalign treatment straightens teeth by using a series of clear, removable aligners that have been custom made to suit your child's teeth.

- **Convenient**

Straight teeth in as little as 6 appointments to our practice over the treatment time.

- **Feels better**

The aligners are comfortable, clear and hygienic.

- **Custom made**

Customised treatment plans designed by our specialist orthodontists who are with you every step of the way.

- **A happier experience**

Your child can take out their aligners allowing them the freedom to experience life to the fullest without orthodontic treatment impacting their lifestyle.

Get your child's smile assessed

Book online at lavinortho.com.au or call 03 9846 3811.
